Service relating to safekeeping and administration of Client's Financial Instruments	Fee¹
Safekeeping	0.1% per annum of the weighted average market value ² of Financial Instruments held on the Client's Account.
Corporate Actions (including but not limited to dividend or coupon payments, participation in shareholders' meeting, etc.)	From USD 100.00 per each action.

Unless otherwise expressly specified or agreed upon, all fees will be withheld from Client's account without additional notice to the Client on the last Business Day of each calendar month. The following fees shall be withheld in the following manner:

- All execution fees specified in clause 1, 2, 5 will be withheld from the Client's account on the day the order was executed (Trade date).
- The Margin Call issue and processing fee specified in clause 3 will be withheld from the Client's account on the Margin Call payment date.
- The execution fee specified in clause 4 will be withheld from the Client's account (1) on the last Business day of each calendar quarter (where the term of REPO is longer than 90 calendar days) and/or (2) on the date of termination of the REPO transaction (closing of a second leg).
- The interest amount specified in clause 6 will be charged on the loan re-payment date.
- The fees for processing of and arranging for execution of Instructions and Messages listed in clause 7 will be withheld from the Client's account on the date when the operation is processed.

All fees will be withheld from the Client's account in the same currency as specified or, if no currency is specified, in USD (where applicable, at the currency exchange rate provided by European Central Bank at time of withholding).

ACCEPTANCE BY THE CLIENT:

By signing hereunder, the Client accepts, represents and agrees with the following:

1. The Client has familiarized itself with this Execution Fee Schedule and agrees to the terms and provisions of the same in its entirety, always subject to any express agreement that may be signed between the Client and the Company.
2. The Client understands all the terms and provisions of this Execution Fee Schedule and has obtained all clarifications necessary in order to understand the effects thereof and obligations of the Client hereunder. The Client understands that a failure on the part of the Client to comply with all and every of its obligations under this Execution Fee Schedule shall constitute an Event of Default under the Trading Regulations.
3. The Client undertakes to pay all the fees of the Company and to promptly settle all the obligations of the Client, including by taking appropriate steps and establishing appropriate arrangements as to ensure the ability of the Company to withhold the amounts due in accordance with this Execution Fee Schedule or any other agreement between the Client and the Company on the due date.

¹ Fee does not include any custodian or agent fees charged in accordance with the relevant Depository receipts program.

² If there is no market price available with respect to any Financial Instrument for the purpose of calculation of weighted average market value Skanestas may use (i) the notional value of the Financial Instrument or (ii) last available market price for such Financial Instrument.
