(2) If it involves the sale of Financial Instruments and Skanestas is, for any reason, unable to transfer or otherwise dispose of the relevant Financial Instrument, then Skanestas shall have the right to cancel the Transaction or execute a purchase Transaction to cover it. Skanestas shall have the responsibility to cover any loss or charges and will be credited with any surplus that may arise from such Transactions. Skanestas may give the Client the option to accept such a Transaction should the Client have adequate Financial Instruments to cover the sale Transaction.

(3) If it is discovered that a purchase or sale order has been accepted and/or executed following an untrue statement, misrepresentation, mistake, misapprehension of or misleading information from the Client, then Skanestas shall have the right to charge the Client's Account with any loss or charge that may arise from such a Transaction. In case a surplus arises from such a Transaction, this shall be credited to Skanestas' Bank Account and not to that of the Client.

6.23 Skanestas shall bear no responsibility with regard to the acts or omissions of physical persons or legal entities which may substitute Skanestas in respect of the reception and transmission or execution of the Client's order.

6.24 The Client shall be exclusively responsible for the persons they have authorised for the purpose of transmission of orders and shall be precluded from raising against Skanestas any fault in the transmission of the order in relation to the person transmitting the order, even in the case where this person acts fraudulently or with gross negligence. The Client shall be bound against Skanestas for every order transmitted in Client's name through such person and Client's every relevant claim shall be confined exclusively to a claim against the person transmitting the orders. The Client must inform Skanestas in writing as established in Clause '**Amendments and Notice**', in accordance with **Clause 23.2** of the Agreement, in case the authorisation of the aforementioned person has been terminated and Skanestas shall acknowledge the reception of the said notice as soon as possible. Each Transaction which shall have been carried out prior to the sending of the notification - acknowledgement of Skanestas with regards to the revocation of the said authorisation by the Client, shall be deemed valid, as well as its subsequent settlement and clearing and the Client shall not be able to claim any indemnification of any nature from Skanestas on account of the execution of the said order.

Trade Confirmations

6.25 The Company shall provide the Client with adequate reporting on their orders. Specifically, the Company shall send a notice to the Client on durable medium confirming execution of the Order as soon as possible but not later than the first business day following the execution or, where the confirmation is received by the Company from a third party, not later than the first business day following receipt of the confirmation from the third party. Such notification shall include information common to all Orders, the contents is established in MiFID II and/or the applicable legislation as may be amended from time to time.

7. Refusal of Transmission and/or Execution of Orders

7.1 The Client acknowledges and agrees that Skanestas has the right to, at any time and for any reason refuse at its absolute discretion, to transmit and/or execute any order, including and without limitation, in the following cases:

- (1) When Skanestas deems that the transmission and/or execution of the order aims or may aim to market manipulation or leads to conflict of interests,
- (2) Where Skanestas deems that the transmission and/or execution of the order constitutes or may constitute or facilitate insider trading or market manipulation,
- (3) Where Skanestas deems that the transmission and/or execution of the order constitutes or may constitute an illegal act of legalising the proceeds of illegal activities (money laundering), or the financing of terrorism,
- (4) Where Skanestas deems that the transmission and/or execution of the order affects or may affect in any manner the credibility or the proper functioning of the Market,
- (5) Where the account of the Client has insufficient balances to cover the Transaction or in case of an order for the sale of Financial Instruments, if there is an insufficient number of Financial Instruments registered in the name of the Client which can be transferred, so the sale order may be satisfied,
- (6) Where the Client has not fulfilled all Client's obligations towards Skanestas, arising from the present Agreement or from any other related agreement with Skanestas.

7.2 Any refusal on the part of Skanestas to execute any order shall not affect any obligations the Client may have towards Skanestas or the rights that Skanestas may have against the Client or against the Financial Instruments or property assets that belong to the Client or on which the Client has any rights.

8. Titles of Financial Instruments

8.1 Unless the Client has agreed otherwise in writing with Skanestas, the Financial Instruments purchased by Skanestas on behalf of the Client shall be registered in the name of the Client or in the name of Skanestas or as per its instruction in a third party account on behalf of the Client or Skanestas.

9. Safeguarding of Financial Instruments and Property Assets

9.1 The Financial Instruments of the Client are deposited for safekeeping:

- (1) When they are traded on Markets where Skanestas is a member, with Skanestas, unless otherwise agreed,
- (2) When they are traded on Markets where Skanestas is not a member, with third parties of Skanestas' choice that provide custody services and under the terms and conditions that Skanestas or the said third parties provide such services and subject to the terms of the particular Agreement between Skanestas and these third parties. In the selection of suitable third parties, Skanestas shall always comply with the relevant provisions of Directive DI87-01 for the safeguarding of Client assets.

Skanestas reserves the right to charge the Client with any reasonable costs and expenses with regard to the safekeeping of Client's Financial Instruments by Skanestas as well as a fee as this is specified in **Appendix 5** of the Agreement.

9.2 In the case that the Financial Instruments and/or property assets are deposited for safekeeping with third parties, the Client shall give the irrevocable instruction and proxy to Skanestas to enter on their behalf into an agreement with the custodian or credit institution of its choice upon the terms and conditions under which the custodian or credit institution provide their services. It is further agreed that the Client shall bear the costs and expenses of the provision of such service and shall exclusively bear the related risk. Skanestas, however, shall not

accept any liability against the Client:

(1) In case of insufficient fulfillment and/or, generally, of non-fulfillment of the custodian's or credit institution's obligations, and/or,

(2) in respect of the solvency and, generally, the fulfillment of the custodian's obligations (including any kind of Central Registries, Central Securities Depositories, Transactions' Clearing and Settlement Systems) or credit institutions in which the Client's property assets are being kept.

9.3 In case the Client wishes the return of their Financial Instruments or other property assets, they shall give to Skanestas an order in the form established by Skanestas (attached in Appendices hereto). Upon receipt of such order, Skanestas shall arrange as soon as possible, for the delivery to the Client or in their order, of any Financial Instruments or property assets of the Client or of their control, which are in Skanestas' possession or under its control, as the case may be. The Client shall bear the costs and expenses for the dispatch or transfer of Financial Instruments and/ or other property assets. It is provided that Skanestas shall maintain its rights upon the Financial Instruments or/ and other property assets with regards to the obligations of Client hereunder or under any other relevant agreement with Skanestas.

9.4 The above do not exclude any other references to safeguarding or assignment of Financial Instruments or property assets belonging to the Client included in the Agreement or the Appendices hereof.

10. Client's Account and Funds

10.1. All funds delivered by the Client to Skanestas for the purpose of acquiring Financial Instruments or which constitute the proceeds of the sale of Financial Instruments of the Client or which Skanestas holds on account of the Client for a specific purpose (the "Client Funds") shall be held in the name of the Client and/or in the name of Skanestas on the account of the Client in segregated Clients' accounts named and marked as 'Client Account' and opened with following organisations:

- A central bank in the EEA; or
- A credit institution authorized in the EEA; or
- A bank authorised in third (non-EEA) country; or
- A qualifying money market fund.

10.2 By signing the Agreement, the Client authorises Skanestas to make deposits or withdrawals from the aforementioned Client Account(s) on behalf of the Client, including, without prejudice to the generality of the above, withdrawals for the settlement of all Transactions or obligations undertaken in the context of this Agreement and of all the amounts payable by or on behalf of the Client to Skanestas or to any other person.

10.3 Skanestas may hold Client Funds with other Clients Funds in a pooled account. This means that Company holds Client Funds as part of a common pool of funds for safeguarding of Clients assets. By signing this Agreement, the Client gives an explicit consent to Skanestas for such placement of their Funds.

10.4 Skanestas may pass the Client Funds to a third party (for example, an exchange, intermediate or executing broker, over-the-counter organisation or clearing house) where Skanestas is instructed (via a Trade Order) by the Client to carry out a Transaction through or with that third party or to meet the Client's responsibility to provide margin for a Transaction, unless otherwise agreed.

10.4.1 The Client Funds of Retail Clients shall be transferred to a third party only where it is absolutely necessary for the execution of the relevant Client's Trade Order. The Client Funds of non-Retail Clients (i.e. Elective Professional Client/per se Professional Client or Eligible Counterparties) can be kept with a third party as per the Title Transfer Collateral Arrangement (Appendix 16 hereto), where applicable.

10.4.2 Skanestas may pass Client Funds to a bank, an intermediate broker, settlement agent or organization, which may be based outside the EEA. In these circumstances, the law and applicable regulations to the bank, broker, agent or organisation holding the Client's money will be different from that of Cyprus or other EEA states. Hence, Client Funds may be treated differently from the position which would apply if the money was in an EEA state.

10.5 Unless otherwise agreed between the Client and Skanestas, Skanestas does not award any interest or part of the interest on Client Funds. Notwithstanding, third parties may award interest on Client's funds; and in such case Skanestas shall return to the Client(s) all so accrued interest, after all applicable charges, fees, taxes and levies may have been charged by such third party. In case of a pooled account, any accrued interest shall be distributed proportionately.

In case the Client keeps its balance in Euro, it might fall under so called negative interest rate in accordance with European Central Bank requirements and therefore the Client can be additionally charged by a bank by default without notice.

10.6 The Client has the right at any time to make a withdrawal of any portion of their balance available for withdrawal, of their Funds and/or Financial Instruments from the Client's Account by submitting a relevant order to the Company (the Funds Withdrawal Order or the Securities Withdrawal Order respectively).

10.7 The Company may at its sole and absolute discretion withhold, deduct or refuse to effect the requested withdrawal or suspend it (in whole or in part) due to the Client where:

- a) the Client has open positions on the Account showing a loss;
- b) the requested withdrawal would reduce the Client's Account balance to less than the margin requirement for the Client's open positions;
- c) the Company reasonably considers that Funds and/or Financial Instruments may be required to meet any current or future margin requirement on open positions due to underlying market conditions;
- d) the Client has any actual or contingent liability to the Company;
- e) the Company reasonably determines that there is an unresolved dispute between the Company and the Client relating to these Terms of Business or any other agreement between them; and/or
- f) the Client instructs the Company to pay a third party from its Account.

10.8. Any withdrawal shall be sent to the verified

Client's accounts, including but not limited: in case of the Client's Funds - via bank account, which the Client used to make a deposit to the Company, in case of Financial Instruments - to the same source where they came from or to such other account belonging to the Client opened in the Client's name and duly verified by Skanestas.

10.9 The Funds Withdrawal Order and/or the Securities Withdrawal Order shall be processed and executed up to 3 (Three) business days from the moment of its receipt, provided that a relevant order has been received during normal trading hours, as well as that no circumstances could prevent or otherwise inhibit execution of the relevant order. If the relevant Withdrawal Order has not been received during normal trading hours, the moment of receipt is the next business day.

10.10 The Company reserves the right to request additional information and/or documentation in order to be satisfied that Client's dealings with Skanestas, including, but not limited to deposits and withdrawals are legitimate and/or for any other reason to comply with our regulatory obligations. The Client understands and accepts that under such circumstances there may be a delay with processing the Transaction, and/or the Transaction may be rejected.

10.11 The Client acknowledges and agrees that other financial institutions that are involved in the processing of the relevant order may need time to process the payment: the Company shall not be liable for any delay that folds beyond the Company's control. The Client's responsibility to be aware at all times, of the transfer fees and/or any other costs, which are charged by the credit and/or financial institutions, custodians, which transfer Client's Funds and/or Financial Instruments.

11. Dividends and other Rights

11.1 The Client shall be responsible for taking all necessary actions for the collection of all proceeds and the acquisition of all rights and the exercise of all voting rights deriving from their Financial Instruments unless otherwise provided in the Agreement.

11.2 Without prejudice to the generality of the provisions of the above Clause, dividends, distributions and any other income deriving from the Financial Instruments of the Client and which are collected for any reason by Skanestas shall be deposited to the account that the Client holds with Skanestas, unless other instructions are given in writing order by the Client.

11.3 Without prejudice to the generality of the above provision, the Client acknowledges and agrees that they are and shall solely remain responsible for knowing and exercising the rights and terms of issue of all their Financial Instruments, which may expire or lapse or which require any action in order to be converted or exercised, as well as complying with any obligations associated with Transactions in and/or holdings of Financial Instruments. These include, without any limitation, free issuances, stock options, voting rights, convertible Financial Instruments, securities and Financial Instruments which are subject to any takeover offer or exchange proposal. Skanestas shall have no liability nor shall it have any obligation to notify the Client with regard to any expiry dates or takeover or to proceed to any actions on behalf of the Client without specific instructions from the Client in writing. In case Skanestas proceeds with any reminder with regard to the Client's Financial Instruments or exercise or conversion of rights on behalf of the Client, this shall not be perceived:

- (1) As a recommendation or provision of investment advice by Skanestas, and/or
- (2) As an undertaking or acknowledgement of any obligation by Skanestas, and/or
- (3) That Skanestas shall always provide reminders and/or notices, and the Client shall remain at all times responsible for all of the above without prejudice to the foregoing.

12. Laws and Regulations

All Transactions on behalf of the Client shall be subject to the laws governing the constitution and operation, the rules, directives, decisions, circulars and practices of the relevant Market and those governing the operation of Investment Firms, as such laws, regulations, directives, decisions, circulars and practices may be amended from time to time. Skanestas shall be entitled to take or abstain from taking any measures necessary in order to comply with the laws, regulations, directives, decisions, circulars and practices in force at the time. Any such taken measures and all laws, regulations, directives, decisions, circulars and practices in force shall be binding upon the Client.

13. Breach of Client's obligations

13.1 The Client shall deposit to Skanestas prior to the execution of their order, any funds necessary for the execution of the order or any Financial Instruments the sale of which they request to be performed by Skanestas as per their order, including any funds necessary for the covering of fees and commissions entailed for each Transaction. Payment is deemed to have been performed on the date that the necessary funds have been deposited to the bank account specified by Skanestas. In case these obligations are not met, Skanestas shall be entitled not to execute the relevant order or set aside its execution. In case Skanestas executes the Client's order, despite the fact that the Client has not fulfilled their obligations, the Client shall be obligated to deposit immediately the consideration for the Financial Instruments in case of an acquisition or to deliver the Financial Instruments in case of a sale and to deposit Skanestas' fee as well as the relevant duties or levies or other expenses, otherwise the Client shall be in arrears and obliged to pay interest and other charges without further notice. The Client shall be liable for any loss caused to Skanestas from this delay including any loss of profit. Furthermore, Skanestas shall be entitled to charge the Client with any amount due to it, without prejudice to any other right of set off or lien Skanestas may be entitled to.

13.2 All property assets, including any type of Financial Instruments or funds, which come, by any means, into the possession of Skanestas on behalf of the Client or the disposal of which Skanestas undertakes on behalf of the Client, shall be subject to Skanestas' right of lien. Skanestas shall therefore be entitled to refuse to deliver any of them to the Client or to any other person pursuant to the Client's instruction, unless and until the Client fulfils their obligations towards Skanestas. For this purpose, all relevant Transactions between the Client and Skanestas shall be deemed to be governed by these terms. Skanestas shall not be liable for any losses caused to the Client or to any third party by the exercise of the right of lien or by any other lawful measures which might be taken by Skanestas, for the settlement of its claims against the Client, including any future or contingent claims.

13.3 The Parties agree that in case Skanestas carries out a Transaction on behalf of the Client, which is not covered by the balance in the Client's account, the latter shall immediately pay the difference between the balance and the cost of the Transaction.

13.4 In addition and without any limitation to the obligation of the Client to pay such difference in accordance with the above paragraph, the Parties mutually acknowledge that in any of the following cases:

- (a) The Client fails to make any payment or commits any other material breach of the present Agreement or of any applicable law;
- (b) The Client fails to remit funds necessary to enable the Broker to take delivery under any contract on the first due date;
- (c) The Client fails to provide assets for delivery, or take delivery of assets, under any contract on the first due date;
- (d) The Client commits any material breach of the present Agreement or of any applicable law;
- (e) Skanestas or the Client are requested to close out any contract or part of, by any competent authority.

13.5 The Client shall be charged with any costs incurred by Skanestas for the administration and any liquidation of property assets or Financial Instruments of the Client as well as for all legal or other expenses.

13.6 If the non-Retail Client owes any amount to Skanestas, regardless of whether it is in arrears or not, Skanestas may require the Client to deliver to Skanestas as security for their debts, any property assets or Financial Instruments that Skanestas may deem necessary, the value of which shall be at least equal to such percentage of the debts (amounts owed) towards Skanestas, as Skanestas may specify, in each case. To this end, the Client shall be obliged to sign any required document and take any necessary action for the granting of any such security to Skanestas.

13.7 Skanestas may refuse to proceed with the fulfillment of its obligations under the Agreement for as long as it maintains any claims against the Client, whether these are due, future or contingent and regardless of whether these arise from the same Transaction from which the aforementioned obligations of Skanestas arise.

13.8 Skanestas shall be entitled to charge interest on each debt of the Client, which has become in any way due and payable, at such rate as Skanestas may set from time to time in accordance with its relevant policy.

13.9 The Client shall fully reimburse Skanestas as soon as they are required to do so for any loss sustained in any way, which is due to acts or omissions of the Client or their Authorised Representatives or Attorneys.

13.10 In case of a breach of Client's obligations pursuant to this Clause, Skanestas may, at any time, combine or consolidate all or any of Client's accounts with Skanestas and set-off any and all amounts owed to, or by, Skanestas or in such manner as Skanestas may in its discretion determine.

13.11 The Skanestas' rights stated in this Clause are in addition and without prejudice to any other rights it may have under the Agreement and any applicable law. The Client shall execute any documents and take such other action as Skanestas may request in order to protect the rights of Skanestas under the present Agreement or any other relevant agreement.

14. Liability and Indemnity

14.1 Save in the case of gross negligence, willful misconduct or fraud on behalf of Skanestas or its employees, the Client shall indemnify Skanestas and/or its directors, employees and representatives (Indemnified Party) within 5 business days of demand against any and all Loss, which may be sustained or incurred by or asserted against any Indemnified Party arising out of, in connection with, or as a result of:

- (i) any breach of representations indicated in Clause 5 of the Agreement by the Client;
- (ii) the occurrence of an Event of Default, indicated in Clause 25 of this Agreement;
- (iii) investigating any event which an Indemnified Party reasonably believes is an Event of Default or occurrence of Breach of Client obligations, indicated in Clause 13 of this Agreement;
- (iv) the entry into and performance of any agreements with third parties contrary to this Agreement.

14.2 The Client shall keep Skanestas and/or its directors, employees and representatives indemnified and free from any claims by third parties, or for any loss, obligation, cost, or expenses which Skanestas may incur, due to any act or omission of the Client and/or its Authorised Representatives.

14.3 Skanestas shall not be liable in respect of any loss or damage which may be caused by misrepresentation of facts or by error of judgement or by any act Skanestas did or omitted to do whomsoever, save to the extent where such act or omission is directly due to the willful neglect or fraud on behalf of Skanestas and/or its directors and/or its employees and/or its representatives.

14.4 Skanestas shall not be liable for any damage (including all without limitation cases of incurred or anticipated expenses, loss of profits, cessation of business activities, loss of business-related information or any other pecuniary losses) caused by the use or failure to use the electronic systems and/or any omissions in or inconsistency of the market data supplied to the Client.

14.4 Skanestas shall not be liable for any loss of opportunity as a result of which the value of the Financial Instruments of the Client would have otherwise been able to increase or for any decrease in the value of the Financial Instruments of the Client, howsoever caused, save to the extent where such loss or decrease is directly due to the willful neglect or fraud on the part of Skanestas and/or its directors and/or its employees and/or its representatives.

14.5 Skanestas shall not be liable for any damage the Client may sustain as a result of unlawful acts of third parties with secret keys (passwords) of the Client or other confidential information relating to the Client. The Client understands that sending information by e-mail might not be secure and places such information at risk, and the Client assumes any risks and liability for the consequences of choosing such means of communication under these terms.

14.6 Where Skanestas considers, on the basis of the information it has received from the Client, that the Financial Instrument or Service is not appropriate for the Client, Skanestas shall warn the Client or Potential Client in accordance with the Law. If, despite the Skanestas warning, the Client decides to proceed with such Financial Instrument or Service, Skanestas shall have no liability for any loss and or damage that the Client may incur or suffer as result of such decision.

15. Foreign Exchange

15.1 Any conversion required to be performed from any currency to another, for the execution of any order or the effecting of any Transaction by Skanestas in accordance to or in relation to this Agreement, may be done by Skanestas in such manner and at such time as it may deem appropriate on its absolute discretion, taking into consideration the Client's instructions. Skanestas in no way guarantees the conversion agreement. The Client acknowledges and agrees that they shall undertake all risks arising from any such conversion, and in particular, without prejudice to the generality of the above, the risk that may be incurred as a result of the fluctuation in exchange rates.

15.2 Without prejudice to the generality of the above Clause, in case the Client does not fulfill their obligations mentioned in **Clause 13** above, Skanestas may debit any account the Client maintains with Skanestas, with any amount connected with the Client's order in the currency of the relevant Transaction or on Skanestas' absolute discretion, with the respective amount in a currency in which the Client maintains their account with Skanestas at the spot rate of exchange as this shall be finally determined by Skanestas.

15.3 Where the Client so requests, Skanestas shall provide the Client with the breakdown of currency conversion rates and costs.

16. Fee, Commissions and other Expenses

16.1 Skanestas shall be entitled to a fee in respect of its provided Services, as this shall be specified and may be amended unilaterally without prejudice to the other terms of the Agreement from time to time by Skanestas and shall depend on the Transaction type in accordance with Skanestas' charging policy in place at the time. The current standard and the method of payment of Skanestas' fee as well as any commissions, taxes or other expenses are determined in **Appendix 5** of this Agreement. Any amendment to the above amounts payable hereunder shall be communicated to the Client in accordance with **Clause 23.2** and the Client shall be deemed to have accepted the amendment where they shall not submit their objection in writing within thirty (30) business days following the sending of the notification. Skanestas may disclose the basic terms of the arrangements regarding fees, commissions or non-monetary benefits in a summary form. Further details shall be disclosed upon Client's request. If the amendment to the fee referred to in the present paragraph affects all or a significant number of Skanestas' Clients, the amendment will also be included in a relevant update to the MIFID II Information Document.

16.2 In addition to Skanestas' fee as per **Clause 16.1**, the Client shall pay to Skanestas immediately upon its demand all real expenses that the latter has incurred during the provision of Services or the execution of orders, any tax, levies, rights, charges to any third parties having any part in the provision of Services, execution of orders, the safeguarding of the Financial Instruments of the Client by Skanestas and/ or third parties and the updating of the details held by Skanestas about the Client according to the legislation in force.

16.3 The Client hereby authorises Skanestas to immediately debit their account with the amounts payable as per **Clause 16**. In case the Client does not hold an account with Skanestas or there is no available balance in Client's account, Skanestas shall be entitled to debit any due amount in a temporary account at such an interest rate as per **Clause 13.8**.

16.4 Without prejudice to any other remedies that may be applicable, in case the Client fails to make on time any payment due under this Agreement, Skanestas will be entitled to charge the Client a delay charge in the order of 0.1% of the amount due for every day of delay.

Skanestas may provide the Client with information contained in such notice using standard keywords, provided that the Client is given explanations on how to interpret these keywords. Skanestas shall not send the notice when the confirmation would contain the same information with the one contained in the confirmation sent directly to the Client by another person. Skanestas shall not send the above notice where the orders executed on behalf of the Client relate to bonds issued for the funding of mortgage loans with the Client. In the latter case, the Transaction shall be communicated simultaneously with the communication of the mortgage loan terms, but no later than one month following the execution of the relevant order. The information referred to under points (a) and (b) above may be provided by a single notification in the form of a Trade Confirmation ('Contract Note') and shall be provided to the Client by email, or in case the Client specifically requested it in writing, by facsimile. The Client's attention is drawn to the fact that Contract Notes confirm the execution of Transactions on behalf of the Client, but do not confirm the fulfillment of Client's obligations towards Skanestas or vice versa.

(2) Additionally, Skanestas provides the Client, upon request, with information on the status of the Client's order.

(3) In the case of orders relating to units or shares in a collective investment undertaking which are executed periodically, Skanestas shall either send the above notice, or provide the Client, at least once every six months, with the information listed in paragraph 4 of Article 59 of the Commission Delegated Regulation.

Failing this, it shall be deemed that the Client accepts all the details included in the notice or the confirmation sent to him. Furthermore, failure by the Client to act as above shall prevent the Client from raising any objection, contestation or dispute with respect to a Transaction executed on their behalf. An objection, which is not founded on an established breach of the Agreement by Skanestas, may not constitute a basis for claiming any compensation by the Client against Skanestas.

Provision of statements in relation to financial instruments or Client funds held by Skanestas

17.4 If Skanestas holds any Client Financial Instruments or Client funds it shall send to the Client on: a regular basis and in accordance with current applicable legislation a statement in a Durable Medium of those Financial Instruments or funds which would include details of all the Financial Instruments and/or funds held by Skanestas for the Client at the end of the reporting period.

In case the Client delegates their statutory reporting to the Company, the Client remains fully and solely responsible for such reporting, as well as for the accuracy and timeliness thereof and such

other statutory obligations that may be attached to such reporting obligation and this clause 17.5 shall always prevail in case of any discrepancy with any other agreement.

The Client confirms that they can delegate their reporting function, but they cannot delegate their responsibility for reporting to the Company, except of cases when the Company shall be obliged for reporting on behalf of the Client under the applicable legislation. 32.2 Skanestas shall determine mutual liabilities in accordance with the provisions of this Agreement and shall aggregate all positive amounts and all negative amounts so determined and net such two amounts and only the balance shall become due by the party owing the greater of those amounts (or having the claims valued at the lower amount), to the other party.

32.3 Any balance due shall be paid or delivered, as the case may be, no later than on the business day following the day on which Skanestas notifies the Client of the amount due. Neither party shall be obliged to pay unless the amount payable exceeds the banking fees in respect of making a bank money transfer. The Client hereby authorises Skanestas to debit or credit any relevant account maintained by the Company for the Client pursuant to this Agreement, in order to effect such payment or delivery. Where the Client and Skanestas are each simultaneously subject to payment and delivery obligations, the obligations shall be discharged on a delivery-versus-payment basis. Netting, when completed, shall fully and properly discharge and terminate any and all obligations subjected to netting hereunder.

32.4 If the liabilities to be set off are expressed in different currencies, Skanestas may convert either liability at a market rate of exchange available to the Company at the time of conversion, and the Client shall indemnify the Company immediately on demand from and against any loss suffered or incurred as a result of any discrepancy between the rate of exchange used for such conversion and the rate or rates of exchange available to the Company at the time of receipt of the net sum owing to the Company by the Client. The Client hereby authorises Skanestas to debit any cash account maintained by Skanestas for the Client pursuant to this Agreement, in order to effect payment under this clause.

32.5 If any obligation to deliver securities owed to the Client by Skanestas under or in connection with this Agreement has to be replaced by an obligation to pay market value of those securities, then market value with respect to those securities shall be the price for such securities obtained from a source selected by the Company in its reasonable discretion; provided that if prices for such securities are available on a trading venue or organised market, the price shall be the closing price on such venue or market where securities are predominantly traded on a trading day immediately preceding the day of set-off, and where securities are suspended, or in respect thereof there is no source or a discontinuous source, the price shall be the arithmetic mean of the offer quotations in respect of securities of the relevant description obtained from two or more market makers or regular dealers in a comparable size on or about the date of determination, adjusted by the Company in a reasonable manner to reflect accrued but unpaid distributions and to deduct anticipated transaction costs.

32.6 The Client understands that the Company is not obliged to exercise its rights under this Clause 32, but if the rights are exercised, by the Company shall promptly notify the Client of the set-off that has been made.

32.7 The Company shall maintain accounts evidencing the amounts owed to the Company by the Client, in accordance with the Company's usual practice. Entries in those accounts shall be prima facie evidence of the existence and amount of the Client's obligations as recorded in them. If Skanestas issues any certificate, determination or notification of a rate or any amount payable under this Clause 32, it shall be (in the absence of manifest error) conclusive evidence of the matter to which it relates.

32.8 If the exercise of any right pursuant to this Clause 32 shall be avoided or set aside by a court or shall be restrained, stayed or enjoined under the Law or regulations, then the obligations in respect thereof shall be reinstated, or in the event of restraint, stay or injunction, preserved in the amounts as of the date of restraint, stay or injunction between Skanestas, on the one hand, and the Client, on the other, until such time as such restraint or injunction shall no longer prohibit exercise of such right.

33 Whole Agreement

The Agreement and the Appendices shall constitute the whole agreement between Skanestas and the Client pursuant to the provisions of the Law and shall supersede any other written or oral communication. Moreover, any other general

or specific order or other document or agreement which has been signed or shall be signed by the Client, shall be deemed to be incorporated in the Agreement. It is finally provided that if there is, in any other order or any other document or agreement between Skanestas and the Client, a specific provision contrary to the provisions of this Agreement, such specific provision shall prevail, unless such specific provision is contrary to the provisions of the Law.

34 Skanestas' Representations

The Client acknowledges that no representation has been made to him by or on behalf of Skanestas which in any way induced or persuaded the Client to enter into the Agreement.

35 Forbearance

Any negligence, tolerance or forbearance on the part of Skanestas with respect to its rights under this Agreement shall in no way be deemed as a silent or other waiver or abandonment of rights.

36 Partial Invalidity

If any provision of this Agreement shall be rendered invalid, illegal or non-enforceable, it shall be deemed to be deleted to the extent necessary to rectify such invalidity, illegality or non-enforceability and all other provisions of the Agreement shall remain enforceable and valid. The Parties shall nevertheless negotiate in good faith in order to agree the terms of mutually satisfactory provisions, achieving as closely as possible the same commercial effect, to be substituted for the provisions so found to be void or unenforceable.

37 Various terms

37.1 Where the Client shall be more than one person, the obligations of the Client under this Agreement shall be joint and several and any reference to the Client shall be interpreted as a reference to any one or more of these persons. Any warning or other notice given to any of such persons which constitute the Client shall be deemed to have been given to all the persons constituting the Client. Any order given by any of these persons which constitute the Client shall be deemed to have been given by and on behalf of all the persons that constitute the Client.

37.2 Where the Client is a legal entity or the account is a joint account in the name of two or more persons, the person responsible for giving orders for effecting Transactions shall be explicitly stated. In case of any dispute regarding orders for effecting Transactions or any other handling between the persons in the name of which the joint account has been opened, Skanestas may freeze the account and/or the fulfilment of all or some of Skanestas' obligations until the final settlement of the dispute.

37.3 Where the Client has any complaints related to the provision of Skanestas Services, the Client should use the Clients Complaints' procedure, which is part of the MIFID II Information Document, communicated to the Client.

37.4 Any stamp duties payable with respect to the Agreement or any other documents required for the execution of Transactions under the Agreement shall be borne by the Client.

38 Force Majeure

Skanestas shall not be deemed to have failed to respond to its obligations and shall have no liability for any loss or damage that the Client may sustain as a result of any total or partial failure, discontinuance or delay in the execution of the duties or obligations of Skanestas under the Agreement or of any other person acting as an intermediary or participating in the execution of orders, caused by an act of God, fire, war, political upheaval, labour dispute, strike, governmental action, or by any stock exchange or credit institution, discontinuance or suspension of the operation of the stock exchange market, failure of communication for any reason with market makers, non-operation of any electronic Transaction system, any other defect in or failure of transmission to communication facilities of any nature between Skanestas and the Client or any other party, suspension of the right of Skanestas to provide partly or fully any Services in Cyprus or in any other country or for any other reason beyond Skanestas' control.
